

INSDAG Tech-Journal of Steel Construction and Engineering (IJSC)

Institute for Steel Development and Growth (INSDAG), Kolkata, India

COPYRIGHT TRANSFER AGREEMENT (CTA)

Date: _____

The copyright, title, interest, and all rights, including subsidiary and/or derivative rights, in all languages, in the work entitled:

Title of Manuscript

authored / co-authored by:
Full Name(s) of Author(s)

is hereby assigned and transferred to the INSDAG Tech-Journal of Steel Construction and Engineering (hereinafter "IJSC"), published by the Institute for Steel Development and Growth (INSDAG), Kolkata, India, effective if and when the work is accepted for publication. This assignment applies to all forms of reproduction and dissemination by IJSC or its authorised licensees in all languages and formats, subsequent to its first appearance in IJSC.

IJSC reserves the right to edit and format the submitted work for publication purposes. The author(s) and/or copyright holder(s) retain the following rights:

1. All proprietary rights other than copyright, including but not limited to patent rights and rights arising from any invention disclosed in the work.
2. The right to make oral presentations of the material in any form.
3. The right to use all or part of this work, without charge, in future publications authored or edited by the same author(s), provided that IJSC is properly credited as the original source of publication.
4. The right to grant or refuse permission to third parties to republish, translate, or otherwise reproduce all or part of the work, provided that such third parties also obtain prior written permission from IJSC..

The author(s) and/or copyright holder(s) affirm that the work does not contain any material whose publication would violate any copyright, trademark, intellectual property rights, or other personal or proprietary rights of any private person, entity, or governmental or quasi-governmental organisation. Authors are responsible for carefully verifying all data, figures, and content sourced from third parties and for obtaining necessary permissions prior to submission.

The author(s) further declare that the manuscript is submitted exclusively to the INSDAG Tech-Journal of Steel Construction and Engineering (IJSC) and has not been previously published in any form, nor is it currently under consideration for publication, in press, or accepted for publication elsewhere."

SIGNATURES OF ALL AUTHORS

Signatures of all authors are required. By signing, each author confirms acceptance of the terms stated above.

Signature	Print Name	Designation / Affiliation	Date

This Agreement, duly completed and signed by all authors, must be received by the Managing Editor of IJSC prior to acceptance of the manuscript for publication. In the event that the manuscript is not accepted for publication in IJSC, this Copyright Transfer Agreement and Declaration shall have no legal effect and all rights shall remain with the author(s).
